If you'd like a copy of these Terms or other communications (other than marketing communications) related to your services in an alternative format (e.g. Braille or large print) please contact Three on 0333 338 1012. Quick Summary

We've summarised the key points that we'd like you to be aware of when using Three Services on Pay As You Go.

The full terms of your agreement with us for use of Three Services are set out below these - it's important that you read and understand them before you start using Three Services.

At the end of these Terms, we've set out definitions of capitalised words used in these Terms. If there is any inconsistency between this Quick Summary section, and the full terms set out below, the full terms will govern.

A. What these terms cover

- They only cover the terms on which you may use our Services. They don't cover your purchase of your Device.
- Additional terms can also be found in the Pay As You Go Price Guide, as well as within our Services on the Device and in other documents about our Services.

B. Using Three Services

- By inserting your SIM you are expressly requesting that Three provide you with our Services on these terms.
- If you wish to use Three Services, you need to top-up your account or purchase a Pack. Full details on how you can top up can be found at three.co.uk/paygSIM our Pay As You Go Price Guide. It also provides information on top-up voucher and product (Pack and Add-on) validity and expiry periods.
- Throughout 2023 and 2024, we will be making changes and upgrading the Three Network. Following some of these changes, you will need a 4G or 5G handset capable of making voice calls on the 4G network, or a 4G or 5G router to access the Three Services. 3G-only devices, and early 4G handsets that can only make 3G voice calls, will no longer work on the Three Network, in areas where planned work is carried out. For more information about coverage, go to Three.co.uk/coverage.

C. Suspending or Ending this Agreement

- We may suspend or disconnect our Services if we reasonably believe that you haven't complied with certain terms of your agreement.
- If within a 180 days you have not made any chargeable events or activities (for example, made telephone calls, sent text or photo messages, accessed content or the internet or any other Three Services for which a charge is made), we may also suspend our Services or disconnect you.
- You can end this agreement at any time by stopping your use of Three Services. See Sections 4, 9 and 10.

D. Your Information

- We will use your information which we collect during any sales or registration process, for a number of purposes including, but not limited to, opening and managing an account for Three Services, to

deliver products and services ordered by you, for fraud prevention, and for product analysis and direct marketing (subject to your preferences). See Section 13.

- If you'd like a copy of these Terms in an alternative format (e.g. Braille or large print) please contact Three on 03333338 1012 from a non-Three phone. For more information on Three's accessibility services please see: three.co.uk/accessibility.

Pay As You Go Terms for using the Three Network

1. Who's who and what's what

1.1 When we say:

(a) 'we', 'us' or 'our', we mean Hutchison 3G UK Limited, trading as 'Three' (company number 03885486) with its registered address at 450 Longwater Avenue, Green Park, Reading, Berkshire, RG2 6GF;

(b) 'you' or 'your', we mean you, our customer;

(c) 'agreement', we mean your agreement with us for the supply of Three Services.

1.2 We also have set out in the glossary some useful definitions of words we use in these Terms for Three Services.

2. About your agreement

2.1 Your agreement is made up of these Terms for Three Services and your Tariff, along with any other terms laid down in our Pay As You Go Price Guide, other customer documentation and in selected Additional Three Services on the Device. Additional terms may apply to any promotional or special offers.

2.2 Your agreement is personal to you. You have to do what you've contracted to do, unless we write and say you can do something outside the agreement. Unless we give you permission (acting reasonably), you can't pass your rights or responsibilities to anyone else - even if we give you more than one SIM or you give your Device to others. It's your responsibility to make sure the SIMs are only used to access Three Services as permitted in this agreement.

2.3 This agreement does not cover:

(a) any products or services you buy while using Three Services; or;

(b) the supply of your Device. The manufacturers of Devices are not related to us. Any terms relating to Devices will be given to you separately.

3. When your agreement begins

3.1 Your agreement starts when we Connect your SIM for the first time. By inserting a Three SIM into your Device and completing the instructions we sent you via text you are expressly requesting that Three provide you with our Services.

4. Variations to your agreement or prices

4.1 Subject to the provisions of this Section 4, we may vary our terms, Tariffs, Packs, Out of Bundle Services and Additional Services from time to time and any updated Tariffs, Packs or Add-Ons and new terms will be available on our website and on request to Three Customer Services.

4.2 We will let you know at least 30 days in advance if we decide to discontinue your Tariff.

4.3 We may:

- (a)** change or introduce new Charges in respect of Tariffs, Out of Bundle Services or Additional Services;
- (b)** change or introduce new Charges as a result of any changes to services or increases in charges imposed on us by third parties e.g. changes to roaming costs or international call costs, where such changes are related to the costs/price increases charged to us by wholesale partners or providers;
- (c)** make changes where permitted or required to comply with law or regulation; or
- (d)** make changes which are, in our reasonable determination, required to maintain or improve the quality or security of the Three Services;

4.4 Other than in respect of;

- (a)** changes or new Charges imposed in respect of Packs or Add-ons, and changes to services listed in the Pay As You Go Price Guide under the "Other Services" section which are offered as an optional service which you have opted not to receive;
- (b)** changes made under Section 4.3(b) (unless you are materially disadvantaged by such changes and we notify you in accordance with Section 4.5);

where any proposed changes impact the Three Services you receive are not: (in our reasonable opinion) exclusively for your benefit; of a purely administrative nature that has no negative effect on you; or directly imposed by law (e.g. changes to VAT) we will notify you of such proposed changes at least 30 days in advance of the proposed changes taking place.

4.5 Where we make changes under Section 4.3(b) which in our reasonable determination are likely to materially disadvantage you, we will notify you of such changes at least 30 days in advance of such proposed changes taking place (which shall be no more frequently than once per month).

4.6 Where we have provided you with notice under Section 4.4 or 4.5 you are free

to stop using the Three Services and terminate your Agreement or switch providers, but if you carry on using Three Services after any variation or change commences, you will be deemed to have accepted the variation.

5. What we will provide for you. A Three phone number and SIM

5.1 We will open an account for you and provide you with a SIM and, if you are a phone customer, a Three phone number (and we may agree to provide you with additional SIMs and phone numbers on your request).

5.2 We own each SIM and each SIM remains our property at all times. You are being allowed to use the SIM by us on a limited licence to enable you to access Three Services, in accordance with the terms of this agreement. We may recall the SIM(s) at any time for upgrades, modifications, misuse or when your agreement ends. You can only use our SIM to obtain Services from us.

5.3 Each SIM may only be used in Devices which are enabled for Three Services and are authorised by us for Connection to the Three Network. Any attempt to use the SIM in other devices may result in serious damage to the Device and may prevent you from being able to use it, including the making of emergency calls. In these instances, we are not responsible for any such damage or usage problems.

5.4 If you are a phone customer, you can move your existing phone number to Three. First, you need to ask your previous mobile network operator for your porting authorisation code (PAC), and then you will need to give your PAC to us. Once we have verified the details of your porting request, we will confirm the date when your phone number will be moved to Three. If the move is delayed and the delay is our fault, you will receive compensation on your Three account within 30 days. For anything else, just get in touch at three.co.uk/contact_us. Guidance on our switching process is available on our support pages: three.co.uk/support/switching. You can move your Three phone number to another mobile network operator. First, you need to ask us for your PAC. Once we've checked the details of your request, we'll give you your PAC which must be used within the time specified. Your Three Services will be discontinued once your number has been successfully transferred. If you've got cash credit left, we can refund your cash credit and any unused Data Packs after you switch, but you'll need to contact us within 90 days. If you would like to claim a refund, please get in touch at three.co.uk/support/contact-us.

Three Services

5.5 Once you are Connected to Three:

(a) we will provide you with access to our Services. The Three Services will include Premium Services (which may require you to request them and our prior approval for you to use some of those Premium Services) and may also include Age Restricted Services, provided you are 18 or over and you do not show or send any content from

the Age Restricted Services to anyone under 18.

(b) you can make free calls to emergency services from your phone by calling 999 or 112.

(i) When you are outside of Three's coverage area in the UK, your phone will try to locate another mobile network so that you can try to contact the emergency services (however, neither your mobile telephone number nor your location data will be transmitted to the emergency services in these circumstances).

(ii) If you need to contact the emergency services whilst you are roaming abroad, you will need to call 112 (this number is recognised by most mobile operators worldwide), however your location data may not be transmitted.

(iii) If you want to call the emergency services with our WiFi Calling service, please note that your call may be interrupted or end if you have a power cut or your internet connection fails. If you are having problems connecting with WiFi you may wish to use a mobile or fixed network connection (instead of WiFi) and/or register (and keep us up to date) on the address where you plan to use our WiFi calling services (so we have your latest location information to hand for emergency organisations in case of an emergency). You may also be asked to confirm or provide your location when making an emergency call (to help emergency organisations identify the services you need). Please also note that emergency service calls can't be made using Skype on your Phone.

(iv) If you have difficulties hearing or are speech impaired and you need emergency assistance, you can send a text message with details of your

location to 999 or 112 - the text will be converted and passed to the appropriate emergency service but you will need to register your phone before you can use this service - details on how to do this are available at www.emergencysms.net.

(c) If you have a Device, other than a phone, such as a Tablet, which is capable of making telephone calls, you may be able to use this to make free calls to Emergency Services in the UK by calling 999 or 112, however your Location Data may not be transmitted to the emergency services in these circumstances.

(d) If you have a data Pack or data Add-on on your account and are running more than one data session at a time – for example, both tethering and streaming – we'll reserve some of your data Pack or Add-on's data allowance against each data session to make sure that you can continue to use both of these services in parallel using your available data allowance. If you exhaust the reserved data for one session before you use up the other, you'll start to be charged from any top-up credit, even if you have some residual data allowance left. You should therefore end all active data sessions when you receive a 100% usage notification to avoid top-up credit being used to provide data services to you, instead of your data Pack or data Add-on's allowances. You can do this by

toggle off/on the data service on your Device, or turning your Device off and on again.

5.6 You may also be able to upload and send your own content using Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content you upload on the Three Services.

5.7 We:

(a) may change or withdraw some, or part, of the Three Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or modify content. Depending upon the changes that are made, you may have a right to end this agreement, as explained in Sections 4 and 10;

(b) may also determine how Three Services are presented and delivered to the Device or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;

(c) may deploy traffic management measures, known collectively as TrafficSense™ across the Three Network to protect the network and to ensure an enjoyable internet experience for the vast majority of our customers. For details see three.co.uk/trafficsense. We reserve the right to review and amend such measures from time to time.

Limitation of Three Services

5.8 We will always try to make Three Services available to you. However, Three Services are only available within Three's coverage area within the UK. Within this, there may be areas where you do not have access to all Three Services or where coverage is otherwise limited or unavailable. Throughout 2023 and 2024, we will be making changes and upgrading the Three Network. Following some of these changes, you will need a 4G or 5G handset capable of making voice calls on the 4G network, or a 4G or 5G router to access the Three Services. 3G-only devices, and early 4G handsets that can only make 3G voice calls, will no longer work on the Three Network, in areas where planned work is carried out. For more information about coverage, go to three.co.uk/coverage

Disruption of Three Services

5.9 There may be situations when Three Services are not continuously available or the quality is affected and so we cannot guarantee continuous fault-free service. For instance:

(a) when we need to perform upgrading, maintenance or other work on the Three Network or Three Services;

(b) when you move outside Three's 3G service area whilst you are on a call (in this

case calls may not be maintained);

(c) when you are in areas not covered by the Three Network. In these cases Three Services relies on other operators' networks where we have no control; and

(d) because of factors outside our control, such as the features or functionality of your Device, regulatory requirements, lack of capacity, interruptions to Services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

5.10 In the event that you experience continuous or regularly recurring disruption to Three Services (such as where your access to Three Services is limited or unavailable) you may, depending upon the period of disruption, be entitled to:

(a) a partial or full credit of the allowances contained in any Pay As You Go top-up Voucher, Pack or Add-On (as applicable) or;

(b) a refund of any top-up credit (including credit which has been converted into a Pack or Add-on).

To receive a creditor refund you'll need to report to us a disruption on the Three Network in order that we may investigate your concerns, consider the extent to which you use the Three Services in question and measure the disruption against your typical usage history. An alternative means of accessing the disrupted Three Service (for example, using Wi-Fi Calling) must also be unavailable to you. This is without prejudice to any remedies which may be available to you under consumer law (as explained more fully at Section 12.3) or general contract law, including damages or early termination of this agreement (where the disruption to Three Services is very serious). Please contact us as set out in Section 7 (Your Rights - Complaints) and we'll work with you to find an appropriate resolution for your particular circumstances.

6. What you will do in return - Personal Security

6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep the SIM safe and secure whilst it is in your possession and you must ensure that you are able to return it to us, if required. We may charge you for any replacement SIM (as set out in our Pay As You Go Price Guide), unless, of course, it is defective through faulty design or workmanship.

6.2 You must keep all PINs and passwords secure and confidential. You are also responsible for the security of your Device and must ensure that you keep it secure (refer to the Device manufacturer's user guide for details of how to keep your Device secure). You must also keep any PINs or passwords for any services you access through your Device secure and confidential.

6.3 You should immediately change your PIN or password if you become aware that someone is accessing Three Services on your account without your permission.

Responsible use - How you use the Three Service

6.4 You may only use Three Services:

- (a) as laid out in this agreement; and
- (b) for your own personal use. This means you must not resell or commercially exploit any of the Three Services or content.

6.5 You must not use Three Services, the SIM or Three phone number or allow anyone else to use Three Services, the SIM or Three phone number for illegal or improper uses. For example:

- (a) for fraudulent, criminal or other illegal activity;
- (b) in any way which breaches another person's rights, including copyright or other intellectual property rights;
- (c) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission;
- (d) to download, send or upload content of an excessive size, quantity or frequency. We will contact you if your use is excessive;
- (e) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three Network, the networks or systems of others or Three Services; or
- (f) to use or provide to others any directory or details about Three Customer.

6.6 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your Device.

6.7 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of Three Services, you will notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.

6.8 We have published an acceptable use policy which provides more details about the rules for use of certain Three Services:

- (a) to ensure that the use of Three Services is not excessive;
- (b) to combat fraud;
- (c) to protect Three's employees from abuse or harassment; and
- (d) where Three Services we offer, or may introduce, require certain rules to ensure they can be enjoyed by our customers

This policy is available on our website and may be changed from time to time.

Responsible use - How you use the Messaging and Storage Services

6.9 While using the Messaging Services, you must not send or upload:

- (a) anything that is copyright protected, unless you have permission;
- (b) unsolicited bulk or commercial communications or other unauthorised communications, or knowingly send any viruses; or
- (c) anything that is obscene, offensive, abusive, defamatory, menacing, harassing, threatening or is unlawful in any other way.

6.10 We may put limits on the use of certain Three Services, such as Messaging Services or Storage Services. For example, we may limit the size of messages or storage space.

6.11 While we have no obligation to monitor the Messaging Services or Storage Services, if you exceed our use limits set out in our Fair Usage policy (which is published as part of our Pay As You Go Price Guide), or we are made aware of any issues with your use of these Three Services (for example, if we are made aware that you are using Three Services in any of the ways prohibited in Section 6.9) we reserve the right to remove or refuse to send or store content on your behalf. You may still be charged for any content which is blocked or removed.

Responsible use - How you use Age Restricted Services

6.12 If you are under 18, you are not permitted to access our Age Restricted Services. If you are 18 or over and you access the Age Restricted Services, you must not show or send content from the Age Restricted Services to anyone under 18. You must also ensure that you have deactivated any access to Age Restricted Services if you let anyone under 18 use your Device.

6.13 You accept that we cannot control access to age restricted services obtained over WiFi.

Responsible use - How you use Three Services outside the UK

6.14 If you use Three Services from a country outside the UK:

- (a) your use of the Three Services may be subject to laws and regulations that apply in that other country. We're not liable for your failure to comply with those laws or regulations.
- (b) you will be roaming on another operator's network so:
 - (i) you may not receive the same level of coverage and speed as you're

used to on the Three Network. We have no liability if you are not able to access services abroad, or if the quality of any other operator's network services differ from those provided on the Three Network and;

(ii) we accept no responsibility for information processing when it leaves our control.

6.15 If you use Three Services in one of our Go Roam destinations, you must first activate your SIM in the UK to ensure it is correctly provisioned on the Three Network.

6.16 If you choose to convert your top-up credit into a Data Pack or Add-on, you can use Three Services in our Go Roam destinations subject to our fair use policies, as published in your Pay As You Go Price Guide, which may be updated from time to time. See www.Three.co.uk/priceguide for full details:

- (a) If you use Three Services in our Go Roam in Europe destinations, you can use a portion of your Data Pack or Add-on's allowance each month at no extra cost up to the fair use data limit, as set out in your Pay As You Go Price Guide. Any use in excess of this monthly fair use limit, but within any available data allowance, will be subject to a surcharge, as set out in your Pay As You Go Price Guide. There are no fair use limits for calls made or texts sent to standard mobile or landline numbers within our Go Roam in Europe destinations or back to the UK.
- (b) If you use Three Services in our Go Roam Around the World destinations, you can use a portion of your Data Pack or Add-on's allowance of voice minutes, texts and data each month at no extra cost up to our fair use limits, as set out in your Pay As You Go Price Guide. If you exceed the monthly fair use limit for data, you'll be charged in accordance with the rates set out in your Pay As You Go Price Guide.
- (c) If you roam exclusively in one or more of our Go Roam destinations (including both Go Roam in Europe and Go Roam Around the World) for any two complete months in a rolling 12-month period, we may suspend international roaming on your account, meaning you will no longer be able to use your device or allowances abroad. We'll let you know in advance if this is likely to happen. If you spend a full month abroad but some of that time is spent in a destination that isn't included in Go Roam, this fair use policy won't apply.

6.17 You may accidentally roam if you're in an area close to national borders because your Device picks up a network signal across the border. If this is the case, then you may be charged as if you were roaming on an international network.

Paying your Charges

6.18 Your creditor allowances will be reduced each time you use or incur Charges for

Three Services. If your remaining credit/ account balance drops below 1p, you will not be able to access Three Services and you will need to add credit to your account or purchase a Pack. Pay As You Go vouchers, Packs, Add-ons and any credit or allowance on your account cannot be redeemed for cash under any circumstances.

6.19 Pay As You Go vouchers, Packs and Add-ons which are purchased during the term of this agreement must be activated on your account during the validity period specified on the Pay As You Go voucher or within our Pay As You Go Price Guide or other relevant customer documentation.

6.20 If you use your Device to buy goods and Services from third parties, you are responsible for paying any bills they may send to you.

6.21 We will place a charge on your account if a bank fails to honour a debit or credit card payment for your purchase of credit, Pay As You Go Voucher, Pack or Add-on or other payment to your account. Your account balance may drop below zero if we apply this charge and you will need to make a payment to us to clear the negative balance on your account.

6.22 To protect you against fraud, we may place limits on the amount of credit that can be activated on your account using Pay As You Go Vouchers or when using a credit or debit card. We may vary these limits from time to time.

7. Your Rights - Complaints

7.1 If you are unhappy about any aspect of our Three Services, you should contact Three Customer Services.

7.2 We will investigate any complaint in accordance with our customer complaints code, after which we will contact you with the results. A copy of our customer complaints code can be viewed on our website at three.co.uk/complaints or you can request a copy by contacting Three Customer Services. If we are unable to resolve your complaint, you may, depending on the nature of your complaint, be entitled to ask the Communications Ombudsman to consider your complaint for you. Their website address is: <http://www.commsombudsman.org>.

7.3 See Section 13 for information about data protection and privacy complaints.

8. Our Rights - Intellectual Property

8.1 All rights, including copyright in Three Services and their content, belong to us, or our licensed source, such as a content provider. We reserve all our rights.

8.2 The 'Three' trademark and other related images, logos and names on Three Services are proprietary marks of our group of companies. We reserve all our rights.

9. Suspension of Three Services

9.1 We may Suspend any or all of the Three Services you use without notice if:

(a) we reasonably believe you have provided us with false or misleading details about yourself as set out in Section 13;

(b) we advise you that your excessive use of Three Services (as may be defined in accordance with Section 6.9 or 6.16(b) above) is causing problems for other users, and/or you are continuing to use Three Services excessively;

(c) we believe your Device or SIM has been lost, stolen or is being used in a way not permitted by this agreement;

(d) we reasonably believe that you have used Three Services, the SIM(s) or a Three phone number for illegal or improper purposes in contravention of our responsible use requirements in Section 6 above;

(e) we receive a serious complaint against you which we believe to be genuine (for example, if we receive a complaint that you are using Three Services in any of the ways prohibited in Sections 6.5, 6.9 and 6.12). If this happens, we will deal with the complaint in the manner set out in Section 7; or

(f) we are required to suspend your Three Services by the emergency services or other government authorities.

(g) we reasonably believe you have permitted your Device to be unlocked via any unauthorised manner and/or have not paid any relevant Charges due in contravention of Section 5.4;

(h) we reasonably believe that you have abused or harassed Three's employees in contravention of our acceptable use policy;

(i) you have not undertaken any chargeable events or activities (for example, made telephone calls, sent text or picture messages, accessed content or the internet or any other Three Services for which a charge is made) using any credit or allowance on your account within the preceding 180 day period. If you do not have any available credit on your Pay As You Go account, your phone will continue to be capable of receiving incoming calls unless you are roaming outside a Go Roam in Europe or a Go Roam Around the World unless or until suspended as set out in these Terms and Conditions; and/or

(j) if your account balance drops below zero and you have failed to make a payment to us to clear such negative balance.

9.2 We may turn off your Messaging Services if they are inactive for an extended period of time - we will let you know before this happens. If we do turn off your Messaging Services we will have no obligation to maintain any of the content in your Messaging Services, or to forward any unopened or unsent messages to you, or anyone else. If we Suspend any or all of your Three Services, you will still be able to make emergency calls (unless they have been Suspended at the request of the emergency services).

9.3 If your Three Services are Suspended, we may agree to re-Connect you if you ask us to do so and there may be a re-Connection Charge for this.

10. Ending this agreement and Disconnection of Three Services

10.1 You may end this agreement in the following ways:

(a) Within 14 days of Connection (“Cooling-Off Period”) if you have purchased your SIM, Pack and/or Add-On from Three Telesales, the Three UK App or three.co.uk. If you wish to cancel this agreement within the Cooling Off Period, you must contact Three Customer Services. You will be entitled to a refund of any Pay As You Go Credit that remains unused at the date of cancellation, or a refund related to the allowance remaining in your Pack or Add-On as calculated by Three. You will not be entitled to refunds of Pay As You Go Credit, Packs or Add-Ons which are purchased after the Cooling-Off Period has expired.

(b) By stopping your use of Three Services at any time.

(c) In accordance with Section 4.2.

10.2 We may end this agreement in the following ways:

(a) On 30 days’ notice. We can end this agreement by giving at least 30 days’ notice. Your agreement will finish at the expiry of the 30 day notice period or a later date which we specify.

(b) For non-use or non-payment of Three Services. We may Disconnect you if you have not undertaken any chargeable events or activities (for example, made telephone calls, sent text or photo messages, accessed content or the internet or any other Three Services for which a charge is made) using any credit or allowance on your account within the preceding 180 day period or if your account balance drops below zero and you have failed to make payment to us to clear the negative balance as detailed in Section 9.1 (i). If we Disconnect you for non-use of Three Services as set out in this section any unused credits or allowances remaining on your account on Disconnection will be forfeited.

(c) Because of your conduct. In the following cases, we may end your agreement immediately and you have to pay all the Charges you owe up until we Disconnect you:

(i) if we have the right to Suspend your Three Services on any of the grounds in Section 9 and we believe that the grounds are serious and have not been, or are unlikely to be rectified;

(ii) if we believe that your communications with Three Customer Services or any of our retailers or agents, or your use of our Three Services, are jeopardising the operation of the Three Network, or are of an unacceptable nature; or

(iii) in the event of your death.

10.3 No network access or Three Services. We may end your agreement if we no longer have access to other operators' networks which we need to provide Three Services, or if we are no longer able to provide Three Services due to factors beyond our control or because we cease business. If reasonably possible under these circumstances, we will endeavor to provide you with such notice as is practical.

11. Effect of this agreement ending

11.1 If this agreement ends, we will close your account and Disconnect you and you will not be able to use Three Services or make emergency calls. In addition, you will lose your phone number unless you have made a request for your number to be ported prior to Disconnection.

11.2 You must immediately pay all Charges you owe up to the date the agreement ends. If we end the agreement due to your conduct, then any unused credits or allowances remaining on your account on Disconnection will be forfeited.

12. Liability- Limits on our liability

12.1 All of our obligations to you relating to Three Services are set out in your agreement. If you wish to make any variations to this agreement or rely on any other term, you must obtain our agreement to the variation or term in writing.

12.2 Except as set out in 12.3:

(a) all other terms, conditions and warranties relating to Three Services are excluded;

(b) our entire liability to you for something we do or don't do will be limited to £3,000 for one claim or a series of related claims; and
